

THE CONNECTION SCHOOL OF HOUSTON

UNIFORM & DRESS CODE POLICY (Rev. 6/26/2020)

"Do not let your adorning be external – the braiding of hair and the putting on of gold jewelry or the clothing you wear – but let your adorning be the hidden person of the heart with the imperishable beauty of a gentle and quiet spirit, which in God's sight is very precious." -1 Peter 3:3-4

"Or do you not know that your body is a temple of the Holy Spirit within you, whom you have from God? You are not your own, for you were bought with a price. So glorify God in your body."- 1 Corinthians 6:19-20

GENERAL COMMENTS:

- The purpose of our school's dress code is to help students learn how to glorify God in their appearance. Its design is to help students learn to dress in a way that is appropriate, modest, and responsible, and to teach students that their identity is not found in their appearance.
- The Connection School of Houston Uniform and Dress Code Policy addresses the following types of dress: Chapel Dress, Regular Dress, Friday Dress, PE Dress.
- Dress code for school field trips will be designated and communicated by the coordinating teacher before each field trip. If a school t-shirt is approved to be worn, it must be the royal blue official school logo t-shirt available for purchase through our online school apparel store. **The official TCS logo t-shirt is a required uniform item.*
- Land's End (<http://landsend.com/school>) is the school's approved uniform provider and our school uniform styles and colors are based on their items. Ordering information is available on the last page of this uniform policy and on the school website.
- Regular uniform items and chapel uniform items, with the exception of the Girls' clear plaid jumpers or clear plaid skirts, may be purchased from any store that matches Land's End designs, styles, and colors and must not include any graphic, logo, or emblem other than the school's.
- Land's End and The Connection School's exclusive apparel provider the school's only approved monogramming providers for school uniform items. **All monogrammed items must be purchased through these providers.* Monogrammed uniform items are optional, with the exception of outerwear items to be worn in class.
- Certain school uniform items such as PE uniforms and some outerwear items, in addition to school spirit wear, will be available for purchase during specific windows throughout the year through our school apparel online ordering website. Certain school apparel items may be available on display in the school office, but all apparel purchases must be made through the online ordering website and will be processed and fulfilled by the school's apparel vendor. The Connection School does not hold inventory and sell school apparel in the office.
- "Outerwear" described in this policy is descriptive of sweaters, jackets, coats, etc. that are acceptable to be worn inside the classroom. **All outerwear that is worn inside the classroom must be monogrammed and coordinate in color and style according to this policy. *All crewneck/zip-up hooded sweatshirts must be purchased through TCS school apparel web store.* Heavy winter coats may be of personal color and style preference but may only be worn outdoors and must be removed when entering the classroom.
- Hats, baseball caps, and hoods (regardless of whether it is TCS apparel), and sunglasses may not be worn in class or on school field trips unless granted express permission by the coordinating teacher.
- Periodically, the school designates days for school-wide or individual "free dress" or thematic "spirit days." Generally, this consists of jeans or uniform bottoms with a shirt of choice or a shirt that corresponds with the theme. Appropriate dress on these days consists of clothing that is modestly cut and fitting, does not include any graphics or language dealing with violence, drugs, profanity, controversial issues, and the like, does not have holes, fraying, or wear that is unsightly, and allows the student to participate in all the regular activities of the school day.
- Student athletes or students that participate in extra-curricular clubs may wear their team jersey or club t-shirt with jeans (and white undershirt underneath sleeveless or V-neck jerseys) on the day of their games or club meetings.
- Students in violation of the school uniform and dress code policy may be withheld admittance into their classroom until their parent or guardian provides them with acceptable uniform items.
- Interpretation of dress code violations is at the discretion of the school administration and teachers and administration reserves the right to recommend a change of clothes if deemed necessary.
