ABOUT THE CONNECTION SCHOOL

The Connection School of Houston was founded in 2012 and is a 501(c)3 non-profit Christian Classical School serving about 125 K-12th grade students in the Cypress, Texas and surrounding area. Our vision is to partner with parents to disciple children to love God with all their hearts, souls, and minds and to love others as themselves through providing a Christian Classical education which includes excellent academics, competitive athletics, student leadership opportunities, and a focus on spiritual discipleship to equip students for a successful life. In order to make this type of education available to a variety of students, we maintain tuition below operating costs and offer financial assistance to as many as possible. Your partnership helps make it possible for students to continue to experience the lasting impact of The Connection School's ministry and enables students to attend who would not be able to otherwise.
